*Minerals for Life!*

# Library and Archives

The library is a state repository of records and information / data or geoscientific studies and work from pre-independence era to present. It contains a huge volume of geoscientific knowledge and archives statutory reports submitted by the mineral tenement holders.

Exploration Reports in Archival Storage Boxes inside the Confidential Archive Storage Room.

## Mission and Vision

To be a repository of PNG Geological Survey, Exploration & Mining Industry records, in serving with integrity and adaptability with the trends in libraries and records management whilst fostering a harmonious relationship in the provision of information through a user pay system to its parent institution and it's clientele

## Goals

Provide support to achieving MRA's overall goals by effectively and efficiently collating, storing, retrieving and disseminating information to all stakeholders from within PNG and abroad.

## Category of Holdings:

1. Exploration Reports—Open/Closed
2. Geotechnical Hydrogeological Reports.
3. Geological Survey of PNG Reports, Bureau of Mineral Resources Reports & Lands and Physical Planning.
4. Aerial Photos
5. Archives—Maps
6. Main Collection—Geological Serials/ Publications (Magazine)
